SUBJECT:

1. Here is a draft of the paper on Communist Tactics at International Conferences that I mentioned to you today. Would you be good enough to look it over and let me have your comments either by 'phone or informal note? Would you also return this copy? I will see that you get a copy of the final paper. Perhaps you can suggest somebody else in State who would want to comment, especially anyone who has attended such meetings.

2. This will also serve to introduce [REDACTED] who was waiting with me in your office while you were [REDACTED] at the snack bar.
